

HAPPY  
*Easter*

## PRINCIPAL MASON'S MESSAGE

Welcome to the beginning of Spring and I'm sure that we will see our annual post spring snow dump between now and June. It's hard to believe that it's been just over a year since we have all been dealing with COVID, lockdowns, school and work closures and all of the restrictions. Hopefully with the nicer weather and the ongoing vaccination programs that are starting up, we will see a much more social April, May and June.

Overall, our students continue to be dealing with our COVID protocols in a very positive and accepting manner. I am super proud of each and everyone of our students, and hopefully we will be able to get back outside and to other off campus facilities in the coming days.

We are looking forward to graduation with our four grade 12 students. This date is fast approaching and will be held on Friday June 11<sup>th</sup>, 2021.

As we move into the spring, we will be continuing to prepare for our eventual move into our new location at some point in the fall. We are so looking forward to our increased space in the old library but newly renovated space for Cameron Crossing Students.

# Important Dates

April / May 2021

**Half Day ~ Noon Dismissal**

April 1<sup>st</sup>

**NO SCHOOL ~ Easter/Spring Break**

April 2<sup>nd</sup> through to April 11<sup>th</sup>

**NO SCHOOL ~ PD Day**

April 30<sup>th</sup>

**NO SCHOOL ~ PD Day**

May 21<sup>st</sup>

**NO SCHOOL ~ PD Day**

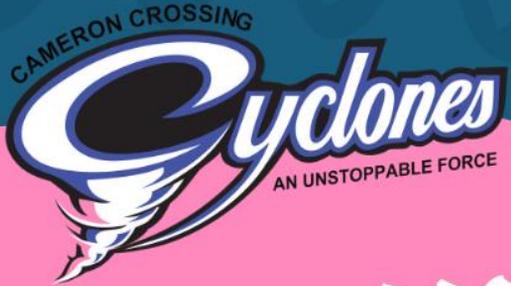

May 24<sup>th</sup>

# Mr. D's Academic Update

Students have been working hard on their various subjects, I am proud of what they have been accomplishing. I want to wish all of our students and families a great and safe spring break. Report cards will be sent home via email in April, after Easter break. As always, If you have any questions around academics, please contact me at the school.

CAMERON CROSSING SCHOOL

# PINK SHIRT DAY

February 24, 2021

LIFT EACH OTHER UP

# Mindful Moments

~Amy Snyder YDC

Spring has officially sprung....I think! I am really enjoying the longer days and seeing the sun shine a little more lately.

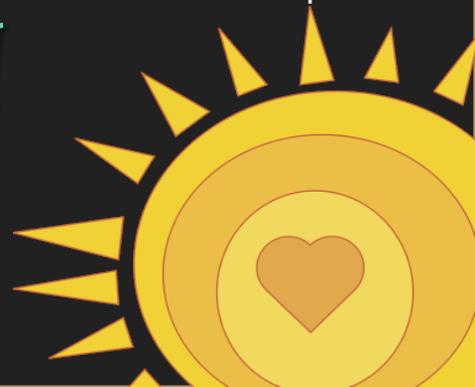

This month the students at Cameron Crossing were busy assisting me with supporting local initiatives for youth. This included sorting toiletry donations and creating Basic Needs Toiletry Kits for youth, and sorting and organizing donated clothing. The community has really stepped up with supporting these initiatives and the students are engaged and happy to offer their help.

Also new this month, we have introduced a Job Board that showcases available job opportunities within the Foothills Community as well as other unique opportunities available for youth, including local events as well as programming and activities that engage youth.

Mindfulness sessions have been consistent this month, running twice a week. We have been exploring different techniques and exercises, trying to find what the students enjoy the most and least about each practice. This is an excellent way for students to learn new mindfulness strategies and practice decompressing and letting everything else go, but stay focused on the present moment.

I am extremely proud of our students and am looking forward to celebrating more successes with them in April!!

*"When you can't find  
the sunshine, Be the  
Sunshine."*

# Mental Health Minute

~Lindsay Boucher FSLC

If you or another member of your family are in need of additional supports, please feel free to email me:

[boucherl@fsd38.ab.ca](mailto:boucherl@fsd38.ab.ca)

Hooray for Spring time! I love this time of year; it gives us the opportunity to spend more time outside which is very important for our mental health. I encourage you to spend some time with your children outside by going for a walk, bird watching, hiking, going for a bike ride, gardening or anything else that would bring you joy!

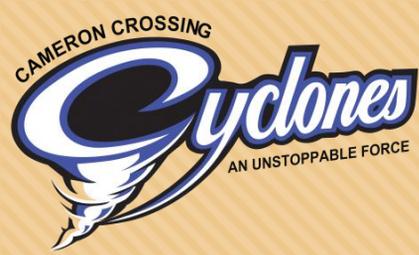

In 2021 we've spent some time focusing on self-care, depression, trauma & resilience, and perspective. We've also spent some time learning about and celebrating Pink Shirt Day and World Down Syndrome Day. After Easter break, we will be learning about financial literacy through the Momentum budgeting program which will teach our students about budgeting, banking, building assets, credit, and consumerism. Please note, this program is not mandatory; it will be offered for those students that are interested in participating.
